Electrical Engineers and Contractors

ELECTRICAL ENGINEERS AND CONTRACTORS

QUALITY POLICY

The Management of Lloyd Morris Electrical has a policy of continual improvement. In line with this policy we recognise the benefits of operating our business in accordance with the requirements of BE EN ISO 9001-2015.

It is the Directors wish to ensure that Lloyd Morris Electrical Limited complies with and fully embraces the spirit of the requirements of BS EN ISO 9001-2015. This will enable our company to maintain a structured and consistent approach to business, maximise internal efficiency, resources and maintain through its adoption, the very highest standards of client care possible.

Lloyd Morris Electrical Limited complies with and exceeds the requirements of all regulatory legislation relevant to the industry. It is the Directors belief that in adopting the procedures implicit within these standards it will enable Lloyd Morris Electrical Limited to increase the company's operating efficiency, minimise wastage and hence improve profitability, whilst maintaining and continuously improving the levels of customer satisfaction.

The Managements aim is always to achieve total customer satisfaction with the services they offer so customers continue to choose Lloyd Morris Electrical Limited as their preferred supplier and also confidently recommend our company to other potential clients. This policy statement is to be understood and followed by all personnel employed by Lloyd Morris Electrical Limited and shall be reviewed on an annual basis.
